# Info About Project

Sustainable, Green Future is a project that wants to raise awareness about environmental protection, sustainability and the role of the youth in it. The young people in Europe are not aware about the importance of environmental protection, or they don't know what they can do to improve the situation.

Many young people are interested in learning how different communities are affected in many different ways by these issues, and how each of these communities react to said issues. We want to give the tools and improve competences of young people and to empower them to make a change in their local community and become active citizens

1

To teach young people about different concepts connected with the protection of environment, such as guerilla gardening, planting trees and others

2

To show good examples of environmental protection and youth activism about environmental protection from the participating countries

3

To give tools to youth from 6 different countries, empowering them to make the change in their local community.

4

To educate young people about sustainability and sustainable development goals

# THE VENUE

We will be accommodated in a youth center/group house in Osterholz-Scharmbeck, close to the city of Bremen, Germany.

The accommodation will be simple. Participants will be sharing rooms with 2-3 people from same gender but different nationalities. Some of the rooms are with private and some with shared bathrooms.

Some of the features of the house:

- It is almost in a middle of nowhere. Cafes, discos, restaurants and supermarkets are not that close.
- We will be the only group in the house. We will learn and have fun together, cook and eat together and share our culture and ideas. We'll make the rules together and respect the rules that we make.
- In the venue where we will stay, there is rule of inside shoes. This means that every participant should bring slippers or some shoes that you are going to use only inside the house.

# THE VENUE

- You should bring your own towels to the mobility. Bedsheets will be provided by the venue where we will stay.
- There is washing machine available in the venue. It costs 2 euro for using the washing machine and 2 euros for using drying machine.
- We have hired our own cooking and logistics team, they will make sure that nice and healthy food will be done, including for the people with food preferences – vegetarians, no pork etc. Please note that we cannot provide HALAL or fruitarian food. If you have any concerns about your diet, please contact us.
- The address of our venue is: Hinterm Horn 5, 27711 Garlstedt, Osterholz-Scharmbeck, Germany

You can find more information and photos about the venue here:

## Intercultural evening / NGO fair:

➔ **National evenings** - Each national team will have the chance to present their culture one evening. You can bring some national food and drinks that you would love to show to the rest of the group.

➔ **Environmental protection**- You should make a research about environmental protection in your country, finding good practices and examples that exist from the government, organizations or individuals, but also problems and challenges that still exist

## What to bring with you

1. Health insurance - don't forget to bring your European Health Insurance Card if you are from EU country or other type of insurance if you're not from the EU.
2. All tickets, boarding passes - don't throw any of them, you will need to send them to us after the exchange. If you lose any of the tickets or boarding passes, we won't be able to reimburse you for those tickets.

4. Towels and toiletry including any medication that you are using
5. Passport or ID card, money if you want to buy souvenirs, etc.
6. Food and materials for your national evening - as explained in the previous section.

# Insurance and other info

**Insurance** - All participants from European Union countries need to bring their European Health Insurance Card (EHIC) with them. You can get it for free in your country and it is amazingly useful for you whenever you travel outside of your country. Participants coming from outside of the EU should acquire travel insurance. NaturKultur can cover your costs for insurance up to 15 euros (**only for participants from non-EU countries**) so please take that in mind while purchasing insurance.

**No alcohol policy** - It means that during the whole exchange, in our venue there won't be any alcohol allowed. This includes: any hard liquor, beer, wine or any other kind of alcohol, including the alcohol during the national evenings.

**Facebook group** - To make the communication easier, we have created a Facebook group. Everyone who has Facebook should join this group because we will use it for communication between each other, sharing materials and getting to know each other:
